

Are You Sure God Is Allowed in Your House?

“The Lord our God, the Lord is one. You shall love the Lord your God with all your heart and with all your soul and with all your might. And these words that I command you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise. You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. You shall write them on the doorposts of your house and on your gates.”

Deuteronomy 6:4-9

I. God is Omnipresent

- That means all of God can exist everywhere at all times simultaneously. He’s not inhibited by time nor space (Psalm 139).
- However, He uniquely indwells believers.
- Though everyone in the Lake of Fire will be eternally separated from God, He will still be there.
- Jesus is with us in a special when when two or three Christians are gathered in His name.
- All of this to say, that though God is everywhere, He exercises a special presence in some places and not in others.

II. Is God in Your Home?

- Walk through every room of the house and try to remember the last time you diligently taught your family members the Truth of God while in that room. Move from room to room and try to remember the last time you made a personal decision to glorify God while you were in that room.
- **Share this episode with your family.**
- **Go into every room and part of your home and pray that God would help you do three things when you’re in that room.**
 - Ask God to remind you that it’s His will — not yours — that should be done in that room the way it is in Heaven (Matthew 6:9-13).
 - As you read His Word, ask Him to make it clear to you how you should glorify Him in your home.
 - Ask Him to give you the wisdom you need to teach your family how to glorify God in each of those rooms (James 1).
- **Study God’s Word so you know how better to glorify Him.**
- **Put up reminders.**
 - Post photo quotes from TruthLoveParent.com.
 - Post *The Communication House*.
 - Hang Bible verses.
 - [Check out our second page of notes for help with this step!](#)
- **When you’ve discovered how to glorify God in that room and set up reminders, consciously seek to obey Him when in that room, and leave no space behind.**
- Now, imagine taking these same principles and applying them outside of your home. We talked about your car, but what about your cubicle at work or your locker at school. What if you sought to obey God and be a testimony for Him at soccer practice or dance class?
