Description

Truth.Love.Parent. isn't about changing anyone's kids; it's about dads and moms being changed by God so their parenting can become a satisfying act of worship to Him. And because God's will is our goal, the Bible is our ultimate authority.

Mission

1. We create parenting, marriage, and family resources including our award-winning podcast. *Truth.Love.Parent. with AMBrewster* has over 400 episodes ranging from interviews to discussions concerning tattling, education, addictions, fear, discipline, and we always discuss God's expectations from His Word. Notable Testimonials

Natasha Crain, author of "Keeping Your Kids on God's Side," "Talking with Your Kids about God," and "Talking with Your Kids about Jesus" says that Truth.Love.Parent. is one of the only parenting podcasts she recommends. *"If you're a parent, you need to listen to the Truth.Love.Parent. podcast! The host, AMBrewster, is excellent and he's tackling a lot of relevant topics for Christian parents."*

Pastor Matt Black, senior pastor of Living Hope Bible Church in Roselle, IL, writes, *"I love AMBrewster's heart to help parents. I've been looking for a resource like this for years and finally found it. I am a pastor and I cannot wait to share this phenomenal resources with the parents of our church. I am so thankful that this podcast is not moralistic, but instead gospel-centered. Thank you!"*

Ginny Logan, staff contributor for [The Simple Moms](#) shared with her community, *"In my current season of life, it's hard for me to sit down and read a parenting book. I am able to turn on the podcast and soak up what God has for me while I do the dishes or fold the laundry. Parenting is hard, but we have the truth's from God's Word to guide us. I'm so thankful for all the wisdom this podcast shares. It's not always easy to hear what I'm doing wrong, but I'm thankful for the refinement."*

Nicole Karmo Ray, social media influencer wrote, “I’ve said it before and I’ll say it again. If you’re a PARENT or have ANY INFLUENCE on children then I highly suggest this podcast. Episodes are short but PACKED with biblical wisdom and tangible tools in this amazingly awesome challenge & privilege we have in raising up Christ honoring children.”
